That's ok - I figured that was the case, but I just wanted to make sure.

Yes, you are correct. This is a different case from last week. [REDACTED] plead guilty this morning.

Thank you for your schedule update. I will keep you posted. What a crazy schedule you keep.

Hi Karen-

On call for Thursday and/or Monday is fine. On Thursday I do have a possible district case in Holyoke as well as another Superior Court case going into the trial pool in Springfield. On Monday I have a district case scheduled in Taunton, but since they normally have us on call and won't need us in the morning, that should not be a problem. Tuesday I have a couple of district cases in Springfield, along with the possibility of having to go to Wareham but, as with Taunton, I wouldn't be needed until the afternoon. Plus, Superior Court trumps District, and I'll let the other ADAs know what is going on.

Also, I've got a question or clarification about this case. You mentioned lab number [REDACTED] (def. - [REDACTED], 30 bags of heroin). Am I correct to assume that this is not the same case that you asked me about a couple weeks ago ([REDACTED], def. = [REDACTED], 6 bags of marijuana)? Thanks for your help.

Hi Sonja: I would like to put you on call for trial on case number [REDACTED] for Thursday and or Monday. We are scheduled to start trial on Thursday but we will only be a half a day. Friday the judge is not in so I would guess I would not call you to Monday with a chance of Tuesday b/c Monday is also only a half a day. Please let me know if this works with your schedule.

Thanks, Karen
